

Orillia is a city with an exciting growth rate of 7 percent. With infrastructure in place, and a Major downtown waterfront improvement plan already underway it has much to offer. It has a growing post-secondary sector, and affordability.

For the past decade, Orillia has been consistently ranked* among one of the top 10 cities to invest in Canada. Currently ranked number 7 in Canada.

Orillia's major institutions and employers bring stable, higher-skilled jobs, as well as a consumer (student) population to stimulate growth for years to come.

Major employers, [Ontario Provincial Police General Headquarters](#), Hydro One headquarters (bringing in 800 good paying jobs in 2022 2023) [Orillia Soldiers' Memorial Hospital](#) and [Casino Rama](#)

The education sector is growing in prominence thanks to [Lakehead University's](#) campus in Orillia, [Georgian College's](#) Orillia campus and the continued popularity of the OPP's training academy .
